

TEDx Kids@TheHill

x = independently organized TED event

Template: Kids' Letter to Parliamentarians

Hello _____ (*Member of Parliament or Senator's name*),

My name is _____ (*name*) and I am in _____ (*teacher*)'s grade _____ (*grade*) class at _____ (*school*). This is a drawing of *what I think the world would look like run by kids* that I made for you. I drew _____ (*ex: a jet that delivers freshwater to people all over the world or rainbows and candy*) because _____ (*ex: some people don't have access to freshwater or we need more colour and sweetness*).

My ideas matter, and I think we should team up so kids' voices can be heard in Parliament.

On behalf of kids across Canada, I am asking you to attend TEDxKids@TheHill this coming September 16th to hear my voice and experience new ideas.

It is time young people and Parliamentarians work together to re-imagine how our world can be. Are you in?

I can't wait to hear back!

_____ (*name*)
